## AMUSEMENTS.

Barre Opera House, Miss Rho Lorraine and Her Own Company.

Undoubtedly the theatrical event of the summer season in Barre will be Miss Rho Lorraine and her own company.

Miss Lorraine returns to our city after an absence of one year for a special engagement of one week commencing July 4th. Both public and press are most enthusiastic in their praises of Miss Lorraine's work for the past year and she comes this year with not only a much better and larger company but with a repertoire of plays seldom attempted by organizations of this kind.

Naturally a beautiful woman, refined and accomplished to a degree, with a majestic personality, Miss Lorraine never fails to win her audience from the start. As most of her productions are costume plays the ladies may look for a display of handsome gowns. Miss Lorraine having the reputation of being one of the most hand-some and correctly gowned actresses on the stage.

Special attention is given to the vaudeville section and between acts specialties will be rendered by artists of the highest order. No extra prices will be charged during Miss Lorraine's engagement, remaining as usual 10, 20, 30.

## Coin Abrasion.

The loss incurred by the wearing of coins in circulation has been made the subject of precise experiments, from which it was ascertained that the gold coins lose 3 1/2 per cent in 100 years. Large silver coins lose 13 1/2 per cent and smaller ones 49 per cent.

## Notice to Granite Cutters.

Keep away from Montreal, Canada, until the trouble there is settled. Opponents in Montreal will be considered oppositionists in Barre. Alex. Robertson, Secy Barre Branch, G. C. N. U.

**Roosevelt's Summer Programme.**  
Washington, June 29.—The summer arrangements of the president have been modified by the decision of the notification committee of the Chicago convention to inform Mr. Roosevelt officially of his nomination for the presidency on July 27. The president had expected to return to Washington several days before that date. He will await, however, the formal notification of the committee and return to Washington on July 28. After remaining here about three weeks he will return again to Oyster Bay to stay until the latter part of September.

**King Edward at Hamburg.**  
Hamburg, June 29.—King Edward has paid his promised visit to Hamburg and met with a most cordial reception from the authorities and big crowds of the inhabitants. The senators, chief naval and military authorities and civic functionaries awaited his majesty at the railroad station, where the king was formally welcomed by the burgomaster and senators. He subsequently boarded a steamer and made a tour of the harbor, which was elaborately decorated, all the ships, buildings and quays being adorned with flags.

**To Open Four New Collieries.**  
Philadelphia, June 29.—Four new collieries are to be opened by the Reading company within the next two years. Work on all of them has been started, but much time will be required to get them ready for operation. Four thousand men will be given employment. The collieries are in the Shenandoah district and will be known as the Wadesville shaft, Heckscherville, Pottsville shaft and Tamaqua shaft. The opening will affect the growth of several mining towns in that region.

**Walter Scott Robbed of \$12,000.**  
Philadelphia, June 29.—Walter Scott, who says his home is in New York, reported to the police that he had been robbed of \$12,000 in gold while on a Pullman car between Pittsburgh and Harrisburg. Scott said he had been in Dawson City, Alaska, for several years and acquired his fortune there by mining. He thinks the money was stolen while he was asleep and thrown from the window and that the robbers then left the train at Harrisburg and returned to the point where the money was thrown off.

**Tornado in Wyoming.**  
Cheyenne, Wyo., June 29.—Considerable damage has been wrought by a tornado in Weston county. Trees were uprooted, ranch houses blown down, haystacks scattered and several persons and some live stock injured. The tornado narrowly missed a passenger train on the Burlington railroad.

**Wars of the Future.**  
Perhaps the time is not far away, says the Topeka Journal, when the naval battles will be fought under the water and the land battles in the air.

## A WOMAN'S BACK.

The Aches and Pains Will Disappear if the Advice of This Barre Citizen is Followed.

A woman's back has many aches and pains. Most times 'tis the kidney's fault. Backache is really kidney ache. That's why Doan's Kidney Pills cure it.

Many Barre people know this. Read what one has to say about it: Mrs. Wm. L. Huntington (W. L. Huntington, granite cutter, address High Holborn, says: "A friend insisted upon my using Doan's Kidney Pills. From the amount of faith he evinced in the remedy I was induced to go to E. A. Brown's drug store for a box. I badly required just such a remedy as Doan's Kidney Pills proved to be, for I had been annoyed with kidney complaint for an indefinite period. The pain across my back and hips was very severe. If I stooped or straightened after stooping and when the sharp twinges were not in evidence, there was a continual dull aching. Added to the backache was a trouble with the kidney secretions, a sure indication that the action of the kidneys in some way must upset. I knew after the completion of the first box, from the direct action of my kidneys, that I had at last got hold of the remedy I had wanted, or I never would have bought a second nor a third box. To say I am pleased at the results I obtained from the use of Doan's Kidney Pills mildly expresses what I think."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

**Notice to Tax Payers of the Town of Barre.**

Notice is hereby given that a tax bill has been placed in my hands for collection, as follows: A town tax of 60 cents, a school tax of 70 cents and a highway tax of 20 cents on a dollar of the grand list of said town, and 90 days from the date hereof is the limit of time in which you have to pay the same and save your discount and costs of collection. September 10th is the last day on which you can pay your taxes to me. After that date they will be in the hands of the First Constable for collection.

W. H. MILLS, Town Treas.
